This matter comes before the Court following a planning conference with counsel on December 18, 2009. Due to the volume of class certification discovery materials the parties requested an extension of the deadlines. For good cause shown, the request is granted.

The Court's order (Filing No. 52) is amended to extend the parties' deadline for discovery relating to class action certification until April 7, 2010, extend Plaintiffs' deadline to file class action certification motion until April 27, 2010, extend Defendant's deadline to serve opposition to Plaintiffs' class action certification motion until June 6, 2010, and extend Plaintiffs' deadline to file reply briefs supporting class action certification motion until March 31, 2010.

IT IS SO ORDERED.

DATED this 21st day of December, 2009.
